City Building Permits

Energy efficiency projects may require City building permits; please check with the City of Healdsburg Building Department at 707-431-3346 prior to beginning work.

Upon signing this agreement, customer acknowledges the following:

City of Healdsburg (City) reserves the right to inspect completed work and installed measures. Rebates will be paid only on work that meets City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with the measures. City will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by City.

I understand the above and certify that I am a customer of City and that the eligible energy efficiency measures were installed at the location indicated on this application.

CUSTOMER SIGNATURE _____ DATE _____
